

**CONDOMINIUM ACT (EXCERPT)**  
**Act 59 of 1978**

**559.152 Advisory committee of nondeveloper co-owners; establishment; meeting with condominium project board of directors; cessation; right to elect directors; formula; recording consolidating master deed; copy; “units that may be created” defined; time of sale to nondeveloper co-owner.**

Sec. 52. (1) An advisory committee of nondeveloper co-owners shall be established either 120 days after conveyance of legal or equitable title to nondeveloper co-owners of 1/3 of the units that may be created or 1 year after the initial conveyance of legal or equitable title to a nondeveloper co-owner of a unit in the project, whichever occurs first. The advisory committee shall meet with the condominium project board of directors for the purpose of facilitating communication and aiding the transition of control to the association of co-owners. The advisory committee shall cease to exist when a majority of the board of directors of the association of co-owners is elected by the nondeveloper co-owners.

(2) Not later than 120 days after conveyance of legal or equitable title to nondeveloper co-owners of 25% of the units that may be created, at least 1 director and not less than 25% of the board of directors of the association of co-owners shall be elected by nondeveloper co-owners. Not later than 120 days after conveyance of legal or equitable title to nondeveloper co-owners of 50% of the units that may be created, not less than 33-1/3% of the board of directors shall be elected by nondeveloper co-owners. Not later than 120 days after conveyance of legal or equitable title to nondeveloper co-owners of 75% of the units that may be created, and before conveyance of 90% of such units, the nondeveloper co-owners shall elect all directors on the board, except that the developer shall have the right to designate at least 1 director as long as the developer owns and offers for sale at least 10% of the units in the project or as long as 10% of the units remain that may be created.

(3) Notwithstanding the formula provided in subsection (2), 54 months after the first conveyance of legal or equitable title to a nondeveloper co-owner of a unit in the project, if title to not less than 75% of the units that may be created has not been conveyed, the nondeveloper co-owners have the right to elect, as provided in the condominium documents, a number of members of the board of directors of the association of co-owners equal to the percentage of units they hold and the developer has the right to elect, as provided in the condominium documents, a number of members of the board equal to the percentage of units which are owned by the developer and for which all assessments are payable by the developer. This election may increase, but does not reduce, the minimum election and designation rights otherwise established in subsection (2). Application of this subsection does not require a change in the size of the board as determined in the condominium documents.

(4) If the calculation of the percentage of members of the board that the nondeveloper co-owners have the right to elect under subsection (2), or if the product of the number of members of the board multiplied by the percentage of units held by the nondeveloper co-owners under subsection (3) results in a right of nondeveloper co-owners to elect a fractional number of members of the board, then a fractional election right of 0.5 or greater shall be rounded up to the nearest whole number, which number shall be the number of members of the board that the nondeveloper co-owners have the right to elect. After application of the formula contained in this subsection, the developer has the right to elect the remaining members of the board. Application of this subsection does not eliminate the right of the developer to designate 1 member as provided in subsection (2).

(5) A consolidating master deed and plans showing the condominium as built shall be recorded not later than 1 year after completion of construction in order to consolidate all phases or amendments of a condominium project. A copy of the recorded consolidating master deed shall be provided to the association of co-owners.

(6) As used in this section, “units that may be created” means the maximum number of units in all phases of the condominium project as stated in the master deed.

(7) For purposes of calculating the timing of events described in this section, conveyance by a developer to a residential builder, even though not an affiliate of the developer, is not considered a sale to a nondeveloper co-owner until such time as the residential builder conveys that unit with a completed residence on it or until it contains a completed residence which is occupied.
