Mechanical restraint does not include the use of a protective or adaptive device or a device primarily intended to provide anatomical support. Mechanical restraint does not include use of a mechanical device to ensure security precautions appropriate to the condition and circumstances of a minor child placed in the child caring institution as a result of an order of the family division of circuit court under section 2(a) of chapter XIII A of the probate code of 1939, 1939 PA 288, MCL 712A.2.
