

**SAFE FAMILIES FOR CHILDREN ACT (EXCERPT)**  
**Act 434 of 2018**

**722.1559 Recruitment of persons or families by charitable organizations to serve as resource families.**

Sec. 9. (1) For each person over 18 years of age residing in a home where a minor child may be temporarily hosted according to a power of attorney under this act, a criminal history records check must be conducted as follows:

(a) A family service agency must request the department of state police to do both of the following:

(i) Conduct a criminal history records check on the person.

(ii) Conduct a criminal history records check through the Federal Bureau of Investigation on the person.

(b) Each person must submit his or her fingerprints to the department of state police for the criminal history records check required under this act. Both of the following apply concerning fingerprints submitted to the department of state police under this subdivision:

(i) The department of state police shall store and retain all fingerprints submitted under this section in an automated fingerprint identification system database that searches against latent fingerprints and provides for an automatic notification when a subsequent fingerprint is submitted into the system that matches a set of fingerprints previously submitted under this section or when the criminal history of an individual whose fingerprints are retained in the system is updated. Upon receiving a notification under this subparagraph, the department of state police shall immediately notify the family service agency that requested the criminal history records check under this section. Information in the database maintained under this section is confidential, is not subject to disclosure under the freedom of information act, 1976 PA 442, MCL 15.231 to 15.246, and shall not be disclosed to any person except for purposes of this act or for law enforcement purposes.

(ii) The department of state police shall forward all fingerprints submitted to it under this section to the Federal Bureau of Investigation to be retained in the FBI automatic notification system that provides for automatic notification if subsequent criminal history record information matches fingerprints previously submitted to the Federal Bureau of Investigation under this section. The fingerprints retained under this section may be searched by using future submissions to the FBI automatic notification system, including, but not limited to, latent fingerprint searches. This subparagraph does not apply until the department of state police is a participant in the FBI automatic notification system.

(c) A family service agency requesting a criminal history records check under this section shall notify the department of state police within 5 days after the individual for which the criminal history records check was requested is no longer residing in a home where a minor child may be temporarily hosted or the individual's home is no longer hosting or available to host a minor child under this act. After receiving this notice from a family service agency, the department of state police is no longer required to provide any notice to the family service agency under subdivision (b)(i) for that individual.

(2) When a home is hosting or is available to host a minor child according to a power of attorney, each person residing in that home for whom a criminal history records check has been conducted under subsection (1) must report to a family service agency within 3 business days after he or she has been arraigned for 1 or more of the crimes listed in section 5r of 1973 PA 116, MCL 722.115r, or any disqualifying offense under the national child protection act of 1993, Public Law 103-209.

(3) If a person residing in a home in which a minor child is or is proposed to be hosted according to a power of attorney is not of good moral character as that term is defined in and determined under 1974 PA 381, MCL 338.41 to 338.47, or has been arraigned for 1 or more disqualifying offenses under the national child protection act of 1993, Public Law 103-209, a minor child shall not be hosted in that home.

(4) A family service agency may request the criminal history records checks under this section as allowed under state and federal law, including, but not limited to, being a qualified entity under the national child protection act of 1993, Public Law 103-209.
