141.932 Local emergency financial assistance loan board; creation; membership; powers and duties; approval of actions; conducting business at public meeting; staff services; powers of municipality.

Sec. 2. (1) There is created a local emergency financial assistance loan board within the department of treasury. This board consists of the state treasurer, the director of the department of licensing and regulatory affairs, and the director of the department of technology, management, and budget. Except for budgeting, procurement, and related functions of the board that shall be performed under the direction and supervision of the state treasurer, the board shall exercise its prescribed statutory powers, duties, and functions independently of the department of treasury.

(2) The board has the powers necessary to carry out and effectuate the purposes and provisions of this act, and powers vested in the board under other laws of this state, including, but not limited to, all of the following

powers:

(a) To act by an order issued in the name of the board and signed by the members of the board. The signature of the designee of a member, when the designee is acting for his or her principal, has the same force and effect as the signature of the member.

(b) To authorize and make loans; to renegotiate the terms of outstanding loans; and to make, execute, and deliver contracts and other instruments necessary or convenient to the exercise of its powers.

(c) To aid, advise, and consult with a municipality with respect to fiscal questions arising from and relating to its proposed or outstanding loans.

(e) To examine the books and records of a municipality applying for or receiving a loan under this act for the purpose of ascertaining if the municipality is complying, in relation to a loan under this act, with the requirements of the board, the laws of this state, and the charter, ordinances, and resolutions of the municipality. Additionally, for effectuating this purpose, the board may require sworn statements from any officer or employee of the municipality and may require the municipality to furnish a statement of its financial condition. The board has full power, in furtherance of its investigations, to examine witnesses on oath, to compel the attendance of witnesses, to compel the giving of testimony, and to compel the production of books, papers, and records. Witnesses may be summoned by the board by its process upon the payment of the same fees as are allowed to witnesses attending in the circuit court for the county in which a hearing is held. A person duly subpoenaed under this section who fails to attend or testify at the place named in the subpoena served for that purpose is guilty of a misdemeanor.

(f) To serve notice upon a municipality of an order relating to the municipality issued by the board. A municipality has prima facie notice of and is bound by an order of the board if notice has been served upon it by registered mail addressed to any officer of the municipality upon whom legal process may be served.

(g) To enforce compliance with its orders; with the terms of outstanding loans; with any provision of this act; or, in relation to a loan under this act, with any law of this state or with the charter, ordinances, or resolutions of a municipality that received a loan under this act. As 1 method to enforce compliance, the board may institute appropriate proceedings in the courts of this state, including proceedings for writs of mandamus and injunctions.

(h) To subject a loan to the terms and conditions the board considers necessary to ensure compliance with the uniform budgeting and accounting act, 1968 PA 2, MCL 141.421 to 141.440a, and to ensure timely repayment of the loan, including, but not limited to, requiring the direct assignment for repayment of a loan of any state money appropriated to the municipality or, for a municipality that is a school district, other revenue or money that may be pledged by a school district under section 1211 of the revised school code, 1976 PA 451, MCL 380.1211, or other law. For a loan entered into after July 7, 2015, if a municipality does not make any scheduled repayment on a loan, the department of treasury shall require the direct assignment for repayment of the loan, in the amount equal to the minimum of the interest due on the loan and up to 5% of the loan, from any state money appropriated to the municipality or, for a municipality that is a school district, other revenue or money that may be pledged by a school district under section 1211 of the revised school code, 1976 PA 451, MCL 380.1211, or other law.

(i) To provide loan terms specifying conditions and events of default and remedies available upon default by a municipality.

(j) To impose loan terms upon the disbursement of a loan authorized to be made under section 3(2)(b) or (3).

(3) The board shall review each application for a loan from a municipality to determine if the municipality satisfies the requirements of this act. Except for loans authorized under section 3(2) or (3), upon determining those applications that satisfy the application eligibility requirements of section 4, the board may authorize an annual loan to 1 or more of those eligible applicants upon declaring that a local fiscal emergency exists in the municipality. For loans authorized under section 3(2) or (3), the board may authorize a loan upon determining that the municipality has satisfied the requirements of this act applicable to loans under section 3(2) or (3).

(4) All actions of the board shall be approved by all members of the board. All meetings of the board shall be conducted at a public meeting held in compliance with the open meetings act, 1976 PA 267, MCL 15.261 to 15.275.

(b) Enter into a loan agreement with the board.

141.935 Repealed. 2016, Act 197, Imd. Eff. June 21, 2016.

Compiler's note: The repealed section pertained to limitation on board authorized loan to municipality.

141.936 Annual rate or rates of interest; fixed rate; rate calculated upon formula; limitation; payment of interest and principal; delinquency; repayment at earlier date or in fewer installments; prohibited conditions; effect of failure to make repayments; loan as general obligation of municipality; exception.

Sec. 6. (1) A loan made under this act shall bear an annual rate or rates of interest, if any, as established by the board under section 2(5). The board may establish interest for a loan under this act either at a rate or rates that are fixed for the term of the loan or, if the formula is approved by the board at the time the loan is made or renegotiated as authorized in section 2, at a rate calculated upon a formula that varies the rate annually. The board may provide that the interest rate or rates for a loan under this act may adjust to an interest rate or rates determined at the time of the sale or transfer by the state treasurer to be sufficient to facilitate the sale of the loans under section 6a. Except for loans sold or transferred under section 6a, if the interest rate for a loan under this act is a single fixed rate, the annual rate of interest for the term of a loan shall not be less than the municipal 10-year rate as determined by the state treasurer. The board may consider a higher interest rate based on both the market interest rates and the risk of the municipality requesting the loan. Except for loans sold or transferred under section 6a, if the interest rate for a loan under this section is not a single fixed rate, both of the following apply to the loan:

(a) The annual rate of interest for the loan shall not be less than 2.5%, but the board may consider a higher interest rate based on both the market interest rates and the risk of the municipality requesting the loan.

(b) If the loan includes an interest-only repayment period, the interest-only repayment period shall not be more than 60 months.

(2) Interest payments are due and payable as determined by the board or the state treasurer under section

6a. Repayment of all of the principal shall be made not more than 30 years from the date of issuance determined by the board or state treasurer under section 6a, except as provided in subsection (5). This subsection, section 7, and the conditions listed in section 4(1) do not apply to a loan authorized under section 3(2) or (3).

(3) The loan agreement between the board and a county for a loan authorized under section 3(2) or (3) shall establish the schedule for payment of the principal of and interest on the loan, the nature of the obligation of the county to repay a loan made under this act, and any security for that loan. Payments of principal and interest for a loan authorized by section 3(2) shall be limited to revenues allocated to the county under the health and safety fund act, 1987 PA 264, MCL 141.471 to 141.479, minus those revenues authorized by the board in the loan agreement for use in the payment of other county obligations.

(4) Unless other state appropriations to a municipality are pledged or assigned in an amount sufficient for the municipality to make a required principal or interest payment, if the municipality's payment of required principal or interest is delinquent, the state treasurer may withhold the amount of all delinquent payments that are due on a loan issued under this act from state payments to the municipality under the Glenn Steil state revenue sharing act of 1971, 1971 PA 140, MCL 141.901 to 141.921, or from the municipality's portion of the revenue generated by the local community stabilization share tax levied under the use tax act, 1937 PA 94, MCL 205.91 to 205.111, and payable by the department of treasury to the local community stabilization authority created under the local community stabilization authority act, 2014 PA 86, MCL 123.1341 to 123.1362, for distribution to the municipality or other governmental entities, or both.

(5) Except for loans sold or transferred under section 6a or as otherwise determined by the board, notwithstanding the payment schedules and methods established by this section or by the terms of a loan agreement, a municipality may initiate repayment of all or part of a loan made under this act at an earlier date or may make repayment in fewer installment payments, or both. The board shall not condition either eligibility for consideration for a loan or the grant of a loan under this act on repayment schedules and terms other than those required by subsections (1), (2), (3), and (4). In addition, failure of a municipality to make repayments under terms or a schedule it has instituted under this subsection does not disqualify the municipality from eligibility for consideration for loans in subsequent fiscal years.

(6) A loan issued under this act shall be a general obligation of the municipality except that a loan issued under section 3(2) shall not be a general obligation of the municipality and shall be repaid solely from specific revenues pledged for repayment of the loan.

141.936a State treasurer selling or transferring loan; security; interest rate; terms; notice.

Sec. 6a. (1) The state treasurer may sell or transfer a loan under this act and enter into an agreement related to the sale or transfer of the loan. The state treasurer also may assign to the purchaser or transferee of a loan under this act all security pledged for the loan by a municipality. A loan sold or transferred under this section shall be secured in the same manner as a loan under this act not sold or transferred, including, but not limited to, benefiting from the security provided by section 6(4).

(2) The state treasurer may enter into an agreement with the purchaser or transferee of a loan under this act to repurchase the loan at a price and time or upon the occurrence of an event provided in the agreement.

(3) Except as otherwise provided in this subsection, at the time a loan is sold or transferred under this section, the state treasurer may set the interest rate, or method of determining the interest rate, on the loan being sold or transferred, including, but not limited to, a loan made before the effective date of the amendatory act that added this section, at a rate the state treasurer determines necessary and advisable to accomplish the sale or transfer. A rate determined by the state treasurer shall not exceed the maximum rate otherwise authorized by law.
