

PUBLIC HEALTH CODE (EXCERPT)
Act 368 of 1978

***** 333.16513.added THIS ADDED SECTION IS EFFECTIVE MARCH 4, 2020 *****

333.16513.added Practice of acupuncture; license required; use of titles; exemptions.

Sec. 16513. (1) Beginning on the effective date of rules promulgated under section 16525 regarding licensure, an individual shall not engage in the practice of acupuncture unless he or she is licensed under this part or is otherwise authorized under this article. For a period not to exceed 36 months from the effective date of the rules promulgated under section 16525 regarding licensure, a registered acupuncturist may, without a license under this part, continue to use the titles "acupuncturist", "registered acupuncturist", or "certified acupuncturist" and engage in the practice of acupuncture.

(2) In addition to the exemptions from licensure under section 16171, this part does not apply to any of the following:

(a) Except as otherwise provided in subdivision (e), an individual licensed, registered, or otherwise authorized under any other part or act who is performing activities that are considered to be within the practice of acupuncture if those activities are within the individual's scope of practice and the individual does not use the words, titles, or letters protected under section 16511.

(b) A physician who is licensed under part 170 or part 175 if the physician has completed a total of not less than 300 hours of systematic acupuncture education that include not less than 100 hours of live lectures, demonstrations, and supervised clinical training specific to acupuncture.

(c) An individual who meets all of the following requirements:

(i) He or she meets the requirements for a certificate of training as an acupuncture detoxification specialist issued by the National Acupuncture Detoxification Association or an organization that the board determines is a successor organization.

(ii) He or she only uses the auricular protocol for substance use disorder prevention and treatment developed by the National Acupuncture Detoxification Association or an organization that the board determines is a successor organization.

(iii) When using the protocol described in subparagraph (ii), he or she is under the supervision of an acupuncturist or a physician licensed under part 170 or part 175.

(iv) He or she does not use the words, titles, or letters protected under section 16511.

(d) An individual performing acupuncture, cupping, dermal friction, dietary counseling, heat therapy, herbal medicine, homeopathy, lifestyle coaching, manual therapy, or therapeutic exercise, while engaged in the practice of a profession with established standards and ethics and as long as those services are not designated as or implied to be the practice of acupuncture and the individual does not use the titles, words, or letters protected under section 16511.

(e) Dry needling by an individual licensed, registered, or otherwise authorized under any other part if dry needling is within the individual's scope of practice.
