

PUBLIC HEALTH CODE (EXCERPT)
Act 368 of 1978

***** 333.2835.amended THIS AMENDED SECTION IS EFFECTIVE MARCH 31, 2013 *****

333.2835.amended "Physical complication" defined; report of abortion; form, transmittal, and contents of report; prohibited information; destruction of reports; annual statistical report; use of statistical reports; prohibited disclosures; violation; penalty; release of reports or contents to department of licensing and regulatory affairs.

Sec. 2835. (1) As used in this section and section 2837, "physical complication" means a physical condition occurring during or after an abortion that, under generally accepted standards of medical practice, requires medical attention. Physical complication includes, but is not limited to, infection, hemorrhage, cervical laceration, or perforation of the uterus.

(2) A physician who performs an abortion shall report the performance of that procedure to the department on forms prescribed and provided by the department. A physician shall transmit a report required under this subsection to the director within 7 days after the performance of the abortion.

(3) Each report of an abortion required under subsection (2) shall contain only the following information and no other information:

- (a) The age of the individual at the time of the abortion.
- (b) The marital status of the individual at the time of the abortion.
- (c) The race and, if applicable, Hispanic ethnicity of the individual.
- (d) The city or township, county, and state in which the individual resided at the time of the abortion.
- (e) The name and address of the facility and the type of facility in which the abortion was performed.
- (f) The source of referral to the physician performing the abortion.
- (g) The number of previous pregnancies carried to term.
- (h) The number of previous pregnancies ending in spontaneous abortion.
- (i) The number of previous pregnancies terminated by abortion.
- (j) The method used before the abortion to confirm the pregnancy, the period of gestation in weeks of the present pregnancy, and the first day of the last menstrual period.
- (k) The method used to perform the abortion.
- (l) The weight of the embryo or fetus, if determinable.
- (m) Whether the fetus showed evidence of life when separated, expelled, or removed from the individual.
- (n) The date of performance of the abortion.
- (o) The method and source of payment for the abortion.
- (p) A physical complication or death resulting from the abortion and observed by the physician or reported to the physician or his or her agent before the report required under subsection (2) is transmitted to the director.

(q) The physician's signature and his or her state license number.

(4) The report required under subsection (2) shall not contain the name of the individual, common identifiers such as her social security number or motor vehicle operator's license number or other information or identifiers that would make it possible to identify in any manner or under any circumstances an individual who has obtained or seeks to obtain an abortion. A state agency shall not compare data in an electronic or other information system file with data in another electronic or other information system that would result in identifying in any manner or under any circumstances an individual obtaining or seeking to obtain an abortion. Statistical information that may reveal the identity of an individual obtaining or seeking to obtain an abortion shall not be maintained.

(5) The department shall destroy each individual report required by this section and each copy of the report after retaining the report for 5 years after the date the report is received.

(6) The department shall make available annually in aggregate a statistical report summarizing the information submitted in each individual report required by this section. The department shall specifically summarize aggregate data regarding all of the following in the annual statistical report:

- (a) The period of gestation in 4-week intervals from 5 weeks through 28 weeks.
- (b) Abortions performed on individuals aged 17 and under.
- (c) Physical complications reported under subsection (3)(p) and section 2837.

(7) The reports required under this section are statistical reports to be used only for medical and health purposes and shall not be incorporated into the permanent official records of the system of vital statistics.

(8) Except as otherwise provided in subsection (10), the department or an employee of the department shall not disclose to a person or entity outside the department the reports or the contents of the reports required by

this section in a manner or fashion so as to permit the person or entity to whom the report is disclosed to identify in any way the individual who is the subject of the report, the identity of the physician who performed the abortion, or the name or address of a facility in which an abortion was performed.

(9) A person who discloses confidential identifying information in violation of this section, section 2834(6), or section 2837 is guilty of a felony punishable by imprisonment for not more than 3 years or a fine of not more than \$5,000.00, or both.

(10) The department may release the reports or the contents of the reports required by this section to the department of licensing and regulatory affairs for regulatory purposes only. The department of licensing and regulatory affairs or an employee of the department of licensing or regulatory affairs shall not disclose to a person or entity outside of the department of licensing and regulatory affairs the reports or the contents of the reports required by this section in a manner or fashion so as to permit the person or entity to whom the report is disclosed to identify in any way the individual who is the subject of the report, the identity of the physician who performed the abortion, or the name or address of a facility in which an abortion was performed.
