

THE STATE SCHOOL AID ACT OF 1979 (EXCERPT)
Act 94 of 1979

***** 388.1699.amended THIS AMENDED SECTION IS EFFECTIVE OCTOBER 1, 2014 *****

388.1699.amended Mathematics and science centers.

Sec. 99. (1) From the funds appropriated in section 11, there is allocated for 2014-2015 an amount not to exceed \$2,750,000.00 from the state school aid fund and an amount not to exceed \$475,000.00 from the general fund to support the activities and programs of mathematics and science centers and for other purposes as described in this section. In addition, from the federal funds appropriated in section 11, there is allocated for 2014-2015 an amount estimated at \$5,249,300.00 from DED-OESE, title II, mathematics and science partnership grants.

(2) Within a service area designated locally, approved by the department, and consistent with the comprehensive master plan for mathematics and science centers developed by the department and approved by the state board, an established mathematics and science center shall provide 2 or more of the following 6 basic services, as described in the master plan, to constituent districts and communities: leadership, pupil services, curriculum support, community involvement, professional development, and resource clearinghouse services.

(3) The department shall not award a state grant under this section to more than 1 mathematics and science center located in a designated region as prescribed in the 2007 master plan unless each of the grants serves a distinct target population or provides a service that does not duplicate another program in the designated region.

(4) As part of the technical assistance process, the department shall provide minimum standard guidelines that may be used by the mathematics and science center for providing fair access for qualified pupils and professional staff as prescribed in this section.

(5) Allocations under this section to support the activities and programs of mathematics and science centers shall be continuing support grants to all 33 established mathematics and science centers. Each established mathematics and science center that was funded in the immediately preceding fiscal year shall receive state funding in an amount equal to 100% of the amount it was allocated under this subsection for the immediately preceding fiscal year. If a center declines state funding or a center closes, the remaining money available under this section shall be distributed to the remaining centers, as determined by the department.

(6) From the funds allocated in subsection (1), there is allocated for 2014-2015 an amount not to exceed \$750,000.00 in a form and manner determined by the department to those centers able to provide curriculum and professional development support to assist districts in implementing the Michigan merit curriculum components for mathematics and science. Funding under this subsection is in addition to funding allocated under subsection (5).

(7) From the general fund money allocated in subsection (1), there is allocated for 2014-2015 an amount not to exceed \$100,000.00 to the Michigan STEM partnership, to be used to administer the grant process under this subsection. From the general fund money allocated in subsection (1), there is allocated for 2014-2015 an amount not to exceed \$375,000.00 to the Michigan STEM partnership to be used for a competitive grant process to award competitive grants to organizations conducting student-focused, project-based programs and competitions, either in the classroom or extracurricular, in science, technology, engineering, and mathematics subjects such as, but not limited to, robotics, coding, and design-build-test projects, from pre-kindergarten through college level. Funding under this subsection is in addition to funding allocated under subsection (5) and shall be used for connecting mathematics and science centers for science, technology, engineering, and mathematics purposes and to support the goals of the Michigan STEM partnership. A program receiving funds under section 99h may not receive funds under this subsection.

(8) In order to receive state or federal funds under this section, a grant recipient shall allow access for the department or the department's designee to audit all records related to the program for which it receives such funds. The grant recipient shall reimburse the state for all disallowances found in the audit.

(9) Not later than September 30, 2018, the department shall reevaluate and update the comprehensive master plan described in subsection (1).

(10) The department shall give preference in awarding the federal grants allocated in subsection (1) to eligible existing mathematics and science centers.

(11) In order to receive state funds under this section, a grant recipient shall provide at least a 10% local match from local public or private resources for the funds received under this section.

(12) Not later than July 1 of each year, a mathematics and science center that receives funds under this section shall report to the department in a form and manner prescribed by the department on the following

performance measures:

(a) Statistical change in pre- and post-assessment scores for students who enrolled in mathematics and science activities provided to districts by the mathematics and science center.

(b) Statistical change in pre- and post-assessment scores for teachers who enrolled in professional development activities provided by the mathematics and science center.

(13) As used in this section:

(a) "DED" means the United States department of education.

(b) "DED-OESE" means the DED office of elementary and secondary education.
