The commission shall determine the amount of an alternative compliance payment under this subsection.

(2) The commission shall initiate a proceeding by July 1, 2024 to adopt a framework energy waste reduction program that shall be utilized by the independent energy waste reduction program administrator in administering a program on behalf of a provider, and to determine the appropriate amount of alternative compliance payments for effective administration of energy waste reduction programs consistent with that framework. The proceeding shall be conducted as a contested case in accordance with the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328. To the extent feasible, charges collected from a particular customer rate class and paid to the energy waste reduction program administrator under subsection (1) shall be devoted to energy waste reduction programs and services for that rate class.

(6) Money paid to the energy waste reduction program administrator under subsection (1) and not spent by the administrator that year remains available for expenditure the following year, subject to the requirements of subsection (5).

(7) The commission shall select a qualified nonprofit organization to serve as an energy waste reduction program administrator under this section, through a competitive bid process.

(8) The commission shall require that the energy waste reduction program administrator submit reports, on behalf of each provider that makes an alternative compliance payment, to the commission in compliance with section 97.
