

WATER SHUTOFF RESTORATION ACT (EXCERPT)
Act 252 of 2020

***** 460.1354 THIS SECTION IS REPEALED BY ACT 252 of 2020 EFFECTIVE MARCH 31, 2021: See 460.1356 *****

460.1354 Utilization of water shutoffs; report to State of Michigan Emergency Operations Center.

Sec. 4. Any public water supply that has used water shutoffs as a remedy for nonpayment within the year preceding the effective date of this act and that has not submitted a report to the State of Michigan Emergency Operations Center before the effective date of this act that meets all of the following requirements must submit a supplemental report to the State of Michigan Emergency Operations Center every 30 days until the public water supply submits a report that meets all of the following requirements:

(a) An account of the efforts that have been made to determine those occupied residences within the public water supply's service area that do not have water service.

(b) The number of occupied residences within the public water supply's service area that do not have water service as a result of nonpayment.

(c) The number of occupied residences within the public water supply's service area that do not have water service as a result of any reason other than nonpayment.

(d) A certification, if true, of all of the following:

(i) That best efforts have been exercised to determine those occupied residences within the service area that do not have water service.

(ii) That to the best of the public water supply's knowledge no occupied residences have their water service shut off due to nonpayment.

(iii) That the public water supply has reconnected water service for all occupied residences that can be reconnected without creating a potential risk to public health.

(iv) That the public water supply has exercised best efforts to remedy the conditions that prevent reconnection due to a risk to public health.
