

LAND SALES ACT (EXCERPT)
Act 286 of 1972

565.808 Form and contents of property report.

Sec. 8. The property report shall disclose fully and accurately the physical characteristics of the subdivided lands offered and shall make known to prospective purchasers all unusual and material conditions relating to noise, health, safety, and welfare which affect the subdivision and are known to the developer. The proposed property report submitted to the department shall be in a form prescribed by its rules and shall include the following:

- (a) The name and principal address of the developer.
- (b) A general description of the subdivided lands stating the total number of lots, parcels, units, or interests in the offering.
- (c) The significant terms of any encumbrances, easements, liens, and restrictions, including the current zoning classification and the name and address of the governmental office where a complete current copy of the zoning ordinances may be inspected, affecting the subdivided lands and each lot, unit, parcel, or interest and a statement of all existing taxes and existing or proposed special assessments which affect the subdivided lands.
- (d) A statement of the use for which the property is offered.
- (e) Information concerning existing or proposed improvements, including streets, water supply levels, drainage control systems, irrigation systems, sewage disposal systems, and customary utilities and the estimated cost, date of completion, and responsibility for construction and maintenance of existing and proposed improvements which are referred to in connection with the offering or disposition of any lot, unit, parcel, or interest in subdivided lands.
- (f) The following statement: "This property may be located in the vicinity of a farm or farm operation. Generally accepted agricultural and management practices may be utilized by the farm or farm operation and may generate usual and ordinary noise, dust, odors, and other associated conditions, and these practices are protected by the Michigan right to farm act. The seller is not required to disclose whether a farm or farm operation is actually located in the vicinity of the property or whether generally accepted agricultural and management practices are being utilized."
- (g) Such additional information as may be required by the department to assure full and fair disclosure to prospective purchasers.
