**600.1095.amended Admission to mental health court; requirements; jurisdiction; fee.**

Sec. 1095. (1) Upon admitting an individual into a mental health court, all of the following apply:

(a) For an individual who is admitted to a mental health court based upon having criminal charges currently filed against him or her and who has not already pled guilty or no contest or, in the case of a juvenile, has not admitted responsibility, the court shall accept the plea of guilty or no contest or, in the case of a juvenile, the admission of responsibility.

(b) For an individual who pled guilty or no contest to, or admitted responsibility for, criminal charges for which he or she was admitted into the mental health court, the court shall do either of the following:

(i) In the case of an individual who pled guilty or no contest to criminal offenses that are not traffic offenses and who may be eligible for discharge and dismissal under the agreement for which he or she was admitted into mental health court upon successful completion of the mental health court program, the court shall not enter a judgment of guilt or, in the case of a juvenile, shall not enter an adjudication of responsibility.

(ii) In the case of an individual who pled guilty to a traffic offense or who pled guilty to an offense but may not be eligible for discharge and dismissal pursuant to the agreement with the court and prosecutor upon successful completion of the mental health court program, the court shall enter a judgment of guilt or, in the case of a juvenile, shall enter an adjudication of responsibility.

(iii) Pursuant to the agreement with the individual and the prosecutor, the court may either delay further proceedings as provided in section 1 of chapter XI of the code of criminal procedure, 1927 PA 175, MCL 771.1, or proceed to sentencing, as applicable, and place the individual on probation or other court supervision in the mental health court program with terms and conditions according to the agreement and as considered necessary by the court.

(2) Unless a memorandum of understanding made pursuant to section 1088 between a receiving mental health court and the court of original jurisdiction provides otherwise, the original court of jurisdiction maintains jurisdiction over the mental health court participant as provided in this chapter until final disposition of the case, but not longer than the probation period fixed under section 2 of chapter XI of the code of criminal procedure, 1927 PA 175, MCL 771.2. In the case of a juvenile participant, the court may obtain jurisdiction over the juvenile's parents or guardians in order to assist in ensuring the juvenile's continued participation and successful completion of the mental health court and may issue and enforce any appropriate and necessary order regarding the parent or guardian.

(3) The mental health court may require an individual admitted into the court to pay a reasonable mental health court fee that is reasonably related to the cost to the court for administering the mental health court program as provided in the memorandum of understanding. The clerk of the mental health court shall transmit the fees collected to the treasurer of the local funding unit at the end of each month.
